

In the spirit of intra-desk cooperation, UNRIC’s French and Italian desks supported the screening of the Italian film “The Truth Lies in the Heavens”, to mark the International Day for the Right to Truth concerning Gross Human Rights Violations and for the Dignity of Victims.

Held at the prestigious Paris-based Cinèmathèque, under the auspices of the Italian Institute of Culture, the screening was attended by some 400 people, and saw the participation of the Italian director, Mr. Roberto Faenza. The leading actress from the film, Greta Scarano attended, as well as a magistrate representative of the Rome judiciary. We were honoured to welcome Pietro Orlandi, the brother of the kidnapped girl, Emanuela Orlandi, a Vatican citizen, whose case dates back to 1983 and who has never been found since.
