

On 4th February 2019, United Nations Cinema will be screening [On Her Shoulders](#) at Pálás Cinema, Galway, Ireland.

After surviving the 2014 genocide of the Yazidis in Northern Iraq and escaping sexual slavery at the hands of ISIS, 23-year-old Nobel Peace Prize winner Nadia Murad gave a testimony before the U.N. Security Council that was heard around the world. Nadia suddenly became the face of the Yazidis – a historically persecuted and voiceless religious minority. This screening is organised in partnership with the Irish department of Foreign Affairs and Trade ( [DFAT](#) ) and The UN Refugee Agency Ireland ( [UNHCR](#) )

The screening will be followed by a conversation with guest speakers: Ahmed Khudida Burjus, Head of [Yazda](#) UK & Ireland; Áine Hearn, Director of the Conflict Resolution Unit, Department of Foreign Affairs and Trade, Ireland; Jody Clarke, Senior External Relations Associate UNHCR Ireland; moderated by Caroline Petit, Deputy Director of [UNRIC](#) .
